signature
COLLECTION

Dave Lennox *Signature*® Collection is the ultimate in creating the ideal home. From supreme efficiency to unprecedented performance, this product family delivers incomparable comfort. For those unwilling to settle for anything less than extraordinary, there is only one option. Dave Lennox *Signature* Collection.
Transcend Your Air.

Dave Lennox *Signature*® Collection

	CBA38MV
Product Highlights	The Quietest and Most Efficient Air Handler You Can Buy ¹ \$\$\$
Efficiency Ratings	SEER-enhancing fan motor increases overall system efficiency High-efficiency evaporator coil
Comfort	Variable-speed fan continuously adapts airflow for optimal comfort TXV refrigerant control improves dehumidification EVENHEATER®-compatible for supplemental warmth on demand
Quiet Operation	SilentComfort™ design and extra-thick insulation minimize operating sounds Variable-speed fan ramps up for quiet startup
Indoor Air Quality	One-inch filter provided Antimicrobial drain pan helps preserve air quality UV-light knockout for easy installation of germ-killing lights
Quality & Reliability	Sleeved refrigerant distributor tubes help prevent leaks Painted cabinet helps prevent rust buildup Conformal-coated control board protects against moisture 10-Year Limited Warranty on covered components ²
Installation- and Service-Friendly	Two-piece cabinet Slide-out blower for easy cleaning Toolless filter access simplifies filter changes Upflow/horizontal (downflow optional; accessory required)
System Optimization	Designed to integrate with iComfort® thermostats, iHarmony® zoning system

Quantum™ Coil model: With years of rigorous testing under the most extreme conditions, our Quantum Coil—featuring a proprietary aluminum alloy exclusive to Lennox—is designed to weather the harshest elements

Ultimate Comfort System™ model

iComfort®-enabled model: Designed to integrate with iComfort smart thermostats to give you a higher level of home comfort control

¹ Based on sound pressure levels during operation of Lennox's CBA38MV-036 with factory-installed filter compared against 3-ton units of the leading competitors representing the majority of the total air handlers of like class sales volume in North America at equivalent external static pressure when set up per Section 4.5.3 of AHRI's 260-2001 test standard. Efficiency ratings (CFM/Watt) established per test standard: ANSI/AHRI 210/240-2008.

² Covered components may be eligible to receive a 10-year limited warranty. Online equipment registration at www.lennoxregistration.com is required within 60 days of installation (except in California and Quebec) or Lennox' base warranty will apply. Applies to residential applications only. See actual warranty certificate for details.

NOTE: Due to Lennox' ongoing commitment to quality, all specifications and ratings are subject to change without notice. Warranties noted apply to residential applications only. Please see actual warranty certificate for details. Always verify actual system efficiencies through AHRI or by visiting AHRI ratings database at www.ahridirectory.org.

ELITE
SERIES

Elite® Series takes the Lennox® promise of exceptional comfort and performance to the next level. This superior product family delivers remarkable efficiency. It's time to elevate your environment. It's time for Elite.
Elevate Your Air.
