

DAVE LENNOX
signature
COLLECTION

Dave Lennox *Signature*® Collection is the ultimate in creating the ideal home. From supreme efficiency to unprecedented performance, this product family delivers incomparable comfort. For those unwilling to settle for anything less than extraordinary, there is only one option. Dave Lennox *Signature* Collection.
Transcend Your Air.

ELITE
SERIES

Elite® Series takes the Lennox® promise of exceptional comfort and performance to the next level. This superior product family delivers remarkable efficiency. It's time to elevate your environment. It's time for Elite.
Elevate Your Air.

MERIT
SERIES

Welcome to the Lennox® standard of excellence. Merit® Series is the introductory product line that raises the bar for heating and cooling equipment. Don't settle when it comes to the air inside your home - ask for more. Ask for Merit.
Ask More From Your Air.

Dave Lennox Signature® Collection

	SLP98V	SL280V
Product Highlights	The Quietest and Most Efficient Furnace You Can Buy ¹ 	The Quietest Furnace In Its Class ² 
	\$\$\$	\$\$\$
Efficiency Ratings	Up to 98.7% AFUE Variable-speed fan motor produces a consistent airflow, preventing temperature swings	80% AFUE Variable-speed fan motor
Comfort	Precise Comfort® design holds your home's set temperature, all year long Variable-capacity operation	Adjustable blower profiles Two-stage heating operation automatically alternates between high and low output to meet heating needs
Quiet Operation	SilentComfort™ fan motor for peace, quiet and comfort; fully insulated cabinet Patented burner box reduces burner noise during firing	SilentComfort fan motor, fully insulated cabinet Sealed burner box
Indoor Air Quality	AirFlex™ technology allows customization of furnace operation based on your lifestyle, climate and home design Designed to integrate with PureAir™ S air purification system	Ultra-low, continuous fan speed for 24-hour IAQ benefits Designed to integrate with PureAir S air purification system
Quality & Reliability	Duralok Plus™ heat exchanger made of patented ArmorTuf™ steel to ensure high reliability and efficiency SureLight® hot surface ignition Sealed blower compartment 10-year limited parts and control warranty; limited lifetime heat exchanger warranty	Duralok™ heat exchanger for long product life and durability SureLight hot surface ignition Sealed blower compartment 10-year limited parts and control warranty; 20-year limited heat exchanger warranty
Comfort Controls Compatibility	iComfort S30 ultra-smart thermostat and iHarmony® zoning system	iComfort S30 and iHarmony zoning system

Elite® Series

EL296V	EL296E	EL280E	EL196E
High-efficiency, two-stage, variable-speed gas furnace 	High-efficiency, two-stage, constant-torque gas furnace 	Standard-efficiency, two-stage, constant-torque gas furnace 	High-efficiency, single-stage, constant-torque gas furnace 
\$\$\$	\$\$	\$\$	\$\$
96% AFUE Variable-speed fan motor	96% AFUE Power Saver constant-torque motor ⁴	80% AFUE Power Saver constant-torque motor ⁴	96% AFUE Power Saver constant-torque motor ⁴
Two-stage heating operation	Two-stage heating operation	Two-stage heating operation	One-stage heating operation
Fully insulated cabinet Sealed burner box	Fully insulated cabinet Sealed burner box	Fully insulated cabinet	Fully insulated cabinet Sealed burner box
Ultra-low, continuous fan speed Designed to integrate with PureAir S air purification system	Low, constant fan speed Designed to integrate with PureAir air purification system	Designed to integrate with PureAir air purification system	Low, constant fan speed Designed to integrate with PureAir air purification system
Duralok Plus heat exchanger SureLight hot surface ignition Sealed blower compartment 5-year limited parts and control warranty ² ; limited lifetime heat exchanger warranty	Duralok Plus heat exchanger SureLight hot surface ignition Sealed blower compartment 5-year limited parts and control warranty ² ; limited lifetime heat exchanger warranty	Duralok heat exchanger SureLight hot surface ignition Sealed blower compartment 5-year limited parts and control warranty ² ; 20-year limited heat exchanger warranty	Duralok Plus heat exchanger SureLight hot surface ignition Sealed blower compartment 5-year limited parts and control warranty ² ; limited lifetime heat exchanger warranty
iComfort S30 and iHarmony zoning system	iComfort E30 and ComfortSense® CS7500	iComfort E30 and ComfortSense CS7500	iComfort E30 and ComfortSense CS7500/CS5500

Merit® Series

ML296V	ML196E	ML193E	ML180V	ML180E
High-efficiency, two-stage, variable-speed gas furnace 	High-efficiency, single-stage, constant-torque gas furnace 	Economical, high-efficiency gas furnace  	Standard-efficiency, single-stage, variable-speed gas furnace 	Economical gas furnace with Power Saver™ technology 
\$	\$	\$	\$	\$

Ultimate Comfort System™ model

iComfort®-enabled model: Designed to integrate with iComfort smart thermostats to give you a higher level of home comfort control

ENERGY STAR® certified model

Dual-Fuel model: Can be combined with a Lennox heat pump in a dual-fuel system for maximum efficiency

1 Based on sound pressure levels during steady-state, high-fire and low-fire operation of Lennox SLP98UH070XV36B and leading competitive units as of December 2019 at mid-point temperature rise and minimum external static pressure when set up per Section 4.4.4 of AHRI 260-2012. Based on AFUE efficiency rating of Lennox SLP98UH090XV60C and leading competitive units listed in AHRI directory as of March 2015. Efficiency ratings established per test standard ANSI/ASHRAE 103-1993.

2 Based on sound pressure levels during steady-state, high-fire operation of Lennox SL280UH070V36A and leading competitive units at mid-point temperature rise and minimum external static pressure when set up per Section 4.5.3 of AHRI 260-2001, as of December 2019.

3 Covered components may be eligible to receive a 10-year limited warranty. Online equipment registration at www.lennoxregistration.com is required within 60 days of installation (except in California and Quebec) or Lennox' base warranty will apply. Applies to residential applications only. See actual warranty certificate for details.

4 The Power Saver™ constant-torque motor design uses less energy in both heating and cooling modes.

NOTE: Due to Lennox' ongoing commitment to quality, all specifications and ratings are subject to change without notice. Warranties noted apply to residential applications only. Please see actual warranty certificate for details. Always verify actual system efficiencies through AHRI or by visiting AHRI ratings database at www.ahridirectory.org.
